Decorate Your Own Cake

This is the perfect Christmas treat to get the whole family involved — and a brilliant way to let the kids get creative in the kitchen.

You'll need

- 1 (or more!) Mrs Appleby's Dairy Sponge Cakes – only available in Heron Foods
- Butter and icing sugar (to make your buttercream)
- Your favourite decorations

How to make it

- 1 Defrost your cake – take the sponge out of the freezer and let it thaw completely.
- 2 Make your buttercream – beat softened butter with icing sugar until light and fluffy.
- 3 Spread the love – cover your cake with a thick, snowy layer of buttercream.
- 4 Decorate to your heart's content – let the kids go wild with sprinkles, berries, biscuits, or any festive goodies you've found in store.
- 5 Show it off – take a picture of your masterpiece before tucking in!

Big Boxing Day bite

Whether using leftovers or cooking fresh, layer up our turkey slices, pigs in blankets, our award-winning cabbage, stuffing, and cranberry for the ultimate festive bite.

Cook as
per packet
instructions
before
assembling

You'll need:

(all available at Heron Foods)

- Just Bake Crusty Rolls
- Butter
- The Best Buy Red Cabbage with Apple
- The Best Buy Pigs in Blankets
- Cranberry Jelly
- The Best Buy Sprouts with Bacon
- Deli Essence Turkey Slices
- Lark Valley Pork, Sage & Onion Stuffing Balls
- Mayonnaise

How to build it:

- 1** Bake it up – get those Just Bake Crusty Rolls in the oven until golden. Slice in half and butter generously while still warm.
- 2** Get saucy - Add a swirl of creamy mayonnaise on the base.
- 3** Pile it high – spoon on that tangy red cabbage with apple for a pop of festive colour.
- 4** Bring in the stars – add a couple of pigs in blankets (if they make it that far).
- 5** Veg like a hero – top with those Brussels sprouts with bacon – trust us, they deserve their moment.
- 6** Load the main event – layer up juicy turkey slices like it's Christmas Day all over again.
- 7** Stuff it good – tuck in a few slices of stuffing balls for that all-important flavour hit.
- 8** Crown it – a big, jolly dollop of cranberry sauce, then pop on the top of your crusty roll.
- 8** Brace yourself – it's going to be messy. But oh, so worth it.

Pro tip: Make extra. Someone will try to steal yours.
